

"All students will learn and grow academically, socially, emotionally and physically!"

"At the end of the day, the most overwhelming key to a child's success is the positive involvement of parents."

Jane D. Hull

Items of Note

- Teachers have practiced in-class Fire & Lockdown drills last week. This week we have our first school-wide drills. Students will be aware of these drills, but future drills will be unannounced. We will endeavour to push out Facebook & Remind notifications at the time of drills. However, things are busy around the school during these drills, so notifications may take a little while to get out.
- We are doing Picture Day a bit differently this year. Rather than choosing and paying for a package in advance, parents will choose a pose in advance, but will choose a background and package afterwards.
- When Terry Fox began his Marathon of Hope in 1980 to raise awareness and funds for cancer research, it was his dream that every Canadian would donate \$1. Today, as we prepare for the school run on September 28, we it is our hope to raise \$640, an average of \$2 per student. All funds will go directly to the Terry Fox Foundation.
