For more information on Jo(e) Social Media, please visit their website at <http://www.joesocialmedia.com>.

We have recently had a number of cases of **head lice** (pediculosis) reported in the school. Please take a few minutes now to check your child and talk with them about how to avoid becoming an unwilling host to an unwelcome insect. Please refer to Wild Rose School Division Administrative Procedure 318 for further resources for families and details on how schools are expected to deal with pediculosis at <https://www.wrsd.ca/our-division/administrative-procedures>.
