Umbrella school council meeting, November 23rd at 7:00

Principal

Finance-No new news. There will be a more detailed report at the next meeting.

The Province came out with a new COVID screening tool that affects school age children. This new information was sent out to families and can be found on the website.

Remembrance day observation will be video based, mostly pre-recorded and sent out to all of the classes at 11:00 on November 10th

At home learners, the Nov. 16th transition date is coming up, we have four students coming in and four going out.

We have received sponsorship from the Co-op to put together some Wilson ball courts. These will be built with the help of a retired carpenter.

Teacher

Nothing new

5. Old business

- a. Friends of Pioneer Society

Nicole messaged that there is no new news

6. New business

- Students overall seem happy to be back in school and interacting with their friends
- Student behaviour has been very positive. This is attributable to many things one of which is having staggered recesses for each grade. More age appropriate play is being seen.
- Parents have been really good about coming to get their kids if they are symptomatic.
- Little Caesars Pizza- Third change in delivery date due to supply chain interruptions from COVID.
- The online booking system for parent/teacher interviews will be used once again this year. When booking a time, parents will have the choice of either a Google Meet or a telephone interview. If a Google Meet is chosen the link will be sent to the family.
- If there is a confirmed COVID case within the school, the school will follow the direction of AHS and their protocol in responding. A letter will be sent home to all families to let them know there is a confirmed case while tracing is done by AHS.

7. Next meeting- Monday, December 7, 2020 at 7:00pm
