Have you seen our playground lately? It’s not much of a playground, really. Our students--your children--deserve a much better one. The **Friends of Pioneer** society has been working hard to get them one. But they need your help and expertise. They are dedicated to raising the funds necessary to make it happen, but, as the saying goes, many hands make light work. They are looking for like-minded people with a passion for or experience in fundraising and in garnering community support. If you’d like to see the kids have the playground they deserve, please reach out to Patrick Wilbur or Laura Henning. Students of today and future years would appreciate it.
