"All students will learn and grow academically, socially, emotionally and physically!"

"There is no remedy for love, but to love more."

~Thoreau

- April 14: PD Day (No School)
- April 15: Good Friday (No School)
- April 18: Easter Monday (No School)
- April 22: Look Alike Day (aka Twins Day)

Items of Note

The most recent changes to pandemic protocols include:

- Masking
  - Students are no longer required to wear masks in schools or on buses;
  - Adults are still required to wear masks in schools and on buses; and
  - We must create an atmosphere of respect for those that choose to wear them.
- No limits on spectators for school sports and performance activities. Masks are still required at extracurricular events for spectators older than 12 years of age.
- The daily checklist is still in place, which means students and staff must stay home when sick.
- Ten days isolation is still required for those testing positive. Individuals who are vaccinated and asymptomatic, can return to school on day 6, but they must wear a mask from day 6 to day 10. Unvaccinated individuals must stay home for the full 10 days. This includes both students and staff.
- No quarantine is required for close contacts, but continue to monitor and consider regular rapid testing if you are a household close contact.
- Grade 6 cohorting continues until at least March 1.
