Items of Note

The Friends of Pioneer Society continues to work hard at fundraising and applying for grants to increase our funds towards getting Pioneer a new playground. The group currently has an application in for a grant through the government to double our fundraised money, which would get us much closer to our goal. Upcoming events/grants that we are looking at include the Co-op Community Spaces Grant, hosting a spaghetti dinner the night of the talent show, and more. Thank you to the group of parents in this society for their time and effort they have put into getting Pioneer a new playground. It's greatly appreciated!
