GRADE 7 PARENTS

Alberta Education is extending the deadline for the completion of the Alberta Education Assurance (AEA) survey to Friday, March 17, 2023.

This extension is necessary due to an unexpected delay in the mail out of the parent survey invitation packages. The packages will still be mailed out in the coming weeks and the extension provides parents with adequate time to complete the survey.

All grade 7 parents are encouraged to complete the survey. The results of which are used to guide our improvement strategies. These surveys are important to us and we hope you will take the time to complete yours. Your opinion is important to us. All surveys are anonymous and can be completed on paper or online.
