"All students will learn and grow academically, socially, emotionally and physically!"

Items of Note

The school will be holding a **Remembrance Day ceremony** on November 8, starting at 10:45AM. Families and the school community are welcome to join us.

On November 20, the public health nurse will be **catching up routine vaccinations** for the missed grade 6 students from the previous school run, as well as any students in grade 7 and 8 for whom they still have consents left over from previous years, and any new consents that have come in. Public Health will send out a text alert for the parents approximately a week prior, but this system is only good as long as the contact information is correct in their system.

We are hosting Jo Phillips for her **"Starting a Social Media Conversation Program for Schools and Parents"** on November 16. Student sessions will be held during the day. The community is welcome to join us for the parent session at 6:00PM. For more information, please visit her website at: <https://www.jooutloud.com/schoolprograms>.
