Items of Note

Warmer weather means our playground will see more water and mud than we'd like. Please speak with our child about staying **clean & dry** for classes.

School Council is responsible for providing the principal with advice and feedback on the governance of the school. Taking part is a great way to stay abreast of what is happening around the school and have your say in the direction of the school. The Council meets monthly both in person in the library and via video-conferencing for approximately 30-45 minutes on the first school Monday of each month starting at 7:00PM. Show up in person or reach out to Mr. Wilbur to connect to the meeting from the comfort of home.

The **Friends of Pioneer** continues its efforts to seek out funding to maintain our playground. It is a small, but dedicated group of parents and they could use your help. If you are able and willing to provide support, please join us. They meet monthly following the School Council meeting.
