Items of Note

Friday is a School Spirit Day. Students are encouraged to find a friend or two to dress-up alike (aka “Twins Day”).

Pioneer will be running our annual **Speech Competition** Friday morning. Students selected from each homeroom class will gather in the learning commons to speak amongst their peers and judges. Good luck to each of them.

As you can see from the list of Dates to Remember above, we are entering a **busy time of year** for students (June is even busier than it looks--this is just the highlights). With the warmer weather and longer days, students' minds are not always on their important academic studies. We encourage you to continue to ensure your children are getting plenty of sleep as we head into the home stretch.
