West Central HS vice-principal, Catherine Curry, recently visited each of the grade 8 classes to discuss grade 9 programming and gave each grade 8 student a **course request form** for next year. Students should have returned these to the office by **May 16**, so they are now overdue. If your child has not returned theirs, please do so as soon as possible. There are extra copies at the front counter if students were away or misplaced their original.

Students registered for bussing for the 2024=2025 school year will receive a **transportation registration confirmation sheet** that parents need to review and return to the school no later than **June 6**. Please check with your child to get this important document.
