STAFF PROFILE

Allison Legree
 Band/Math 8

This is my fourth exciting year teaching band at Pioneer Middle School. I am looking forward to another year of band camps, festivals, concerts, volleyball games and engaged learning!

Growing up in Ontario I had a passion for music and athletics. That hasn't changed much. I grew up playing club volleyball and going to a band camp every June to help hone my skills on the saxophone. Following high school, I got a degree in music specializing in education from Western University and got a teaching degree from Nipissing University.

After teaching for a short period of time in my hometown, I applied for (and landed) a job where I could explore and teach my passions to a younger generation. The spirit of the west (coincidentally a band I grew up listening to) brought me to Rocky Mountain House four years ago. The Rocky Mountains were certainly a draw with a love for snowboarding, hiking and camping.
