**STAFF PROFILE**

Angelique Berger  
 Educational Assistant

Ange grew up and went to school in Calgary. She moved to Rocky Mountain House when she was in her late 20's. Ange has two children, a son who was born in Calgary and a daughter born here in Rocky. They both attended Pioneer School and much to their dismay their mom was also there as an EA. She has been an EA at Pioneer School for 19 years, before Pioneer Ange was an EA at Locheam School for 6 years, again much to the dismay of her children. In her free time she enjoys reading, playing darts and sitting around a roaring fire with friends and family. She also likes to travel and besides being born in Germany, Ange spent 3 months there when she was in high school on an exchange program. Then when she was in college she spent 8 weeks in England on a work training program. As a child she went to Hawaii twice as well as to Disneyland and surrounding areas. On her own or with friends, she has traveled to Los Cabos Mexico, Punta Cana in the Dominican and also Cuba. There are still a few places Ange would love to visit and they are on her bucket list with hopes that she gets to see them at some point. Ange says she enjoys working with all of the students that have come through and especially likes when she gets to see them again after they have moved on and become the people they are going to be.
